

2013 Neuroscience Seminar Series

February 1	Mel Slater	<i>University College London</i>
February 8	Hans Scherberger	<i>German Primate Center</i>
February 15	Klaus-Armin Nave	<i>Max Planck Institute Göttingen</i>
March 1	Erin Schuman	<i>Max Planck Institute for Brain Research Frankfurt</i>
March 22	Michale Fee	<i>Massachusetts Institute of Technology</i>
April 5	Luciano Fediga	<i>Faculty of Medicine, Ferrara Italy</i>
April 12	Bob Wurtz	<i>US National Institute of Health</i>
April 26	Rob Edwards	<i>University of California at San Francisco</i>
May 24	Tim Ryan	<i>Weill Cornell Medical College</i>
June 7	Hongjun Song	<i>Johns Hopkins University</i>
June 21	Catherine Dulac	<i>Harvard University</i>
July 5	David Parichy	<i>University of Washington</i>
September 13	Matt Nolan	<i>University of Edinburgh</i>
September 27	Nikos Logothetis	<i>Max Planck Institute for Biophysical Chemistry</i>
October 11	Lihong WANG	<i>Washington University</i>
October 25	Guoping FENG	<i>Massachusetts Institute of Technology</i>
November 22	Mattijs Verhage	<i>Vrije Universiteit Amsterdam and VU Medical Center</i>

11h30 -- Salle des Conférences (R229)

Institute for Neurosciences and Cognition
