

INC Young investigators Annual Conference

Thursday 28 May 2026

Campus Saint-Germain-des-Prés, Amphithéâtre Polonovski 2nd Floor
45 rue des Saints-Pères 75006 Paris

- 9h00** **Welcome**
- 9h15** **Introduction**
- 9h30-10h30** **Session “Integrative Neurobiology”**
Chairpersons: Delphine Meffre and Jérémie Barral
- 9h30** **Guillaume Dugué**, CR CNRS, INCC, Campus Saint-Germain-des-Prés
The Spatial Brain
- 9h50** **Dorothee Arnouzian**, CR Inserm, Institut de l’Audition
Neurophysiology and plasticity of electrical hearing
- 10h10** **Antoine Drieu**, CR Inserm, IPNP
The perivascular space unit in the healthy and diseased brain
- 10h30** **Coffee Break** (Avogadro, 2nd Floor)
- 11h00-12h30** **Session “Sensorimotricity and Cognition”**
Chairpersons: Arnaud Cachia, Valentina La Corte and Camille Kurtz
- 11h00** **Louise Kirsch**, MCU UPCité, INCC, Campus Saint Germain-des-Prés
Social Touch as a third party observer
- 11h20** **Arnaud Viarouge**, MCU UPCité, LaPsyDÉ
Learning to see what counts: the development of attention to number
- 11h40** **Alma Guilbert**, PR UPCité, LMC²
Prismatic adaptation through the prism of virtual reality: A new approach to enhancing sensorimotor adaptation
- 12h00** **Angelina Roche**, PR UPCité, MAP5
PCA on point processes for multi-electrodes spike data
- 12h30-14h00** **Lunch break** (Avogadro, 2nd Floor)

14h00-15h20 Session “Neurodevelopment, CNS and Immunity”
Chairwomen: Claire Martin and Diana Zala

14h00 **Morgane Thion**, CR CNRS, Institut Pasteur
Neuroimmunology and Maternal-Fetal Interactions

14h20 **Sara Bizzotto**, CR Inserm, Institut Imagine
Genetic mosaicism: insights into cell lineages in neurodevelopment and disease

14h40 **Nikos Konstantinides**, CR CNRS, Institut Jacques Monod
Evolution of neurodevelopmental mechanisms in the insect visual brain

15h00 **Parvaneh Adibpour**, (Senior Postdoc, Neurodiderot, IHU Robert Debré)
The functional development of the brain in infancy and the impact of early adversity

15h20 **Coffee Break** (Avogadro, 2nd Floor)

15h40 **Flash presentation of the laureates of the 2026 INC M2 fellowships**

16h10-17h **INC annual general meeting (AG) and Conclusion**
Mehrnaz Jafarian-Tehrani

Directions to the 2nd floor of Campus Saint-Germain-des-Prés
for the **amphitheatre Polonovski** (conferences)
and **room Crick** (coffee break), highlighted in blue.

Niv.2
2^e étage

- Amphi Polonovski
- Association A2SUP
- Salles Avogadro (Espace Avogadro)
- Salle Crick
- Salle Franklin
- Salle Informatique (Espace Avogadro)
- Salle R209
- Salle R229
- Salle Sabatier
- Salle Watson
- Salle Wilkins
- T.P Chimie
- T.P Physique
